

Mopar®

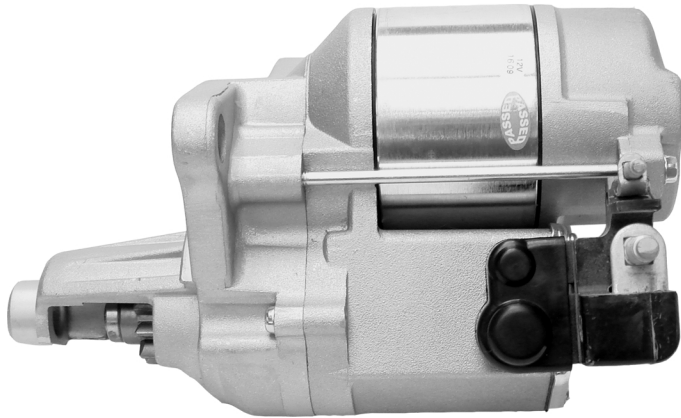

High Torque Starter, part no. 440-415

Fits A engines: 273/318/340/360

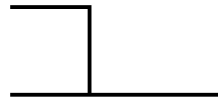

B/RB engines: 361/383/400/413/426/440

Thank you for purchasing this starter. No longer is there reason for compromise. Each 100% new alternator is individually computer-tested and supplied with its own Quality Assurance graph documenting the unit's performance.

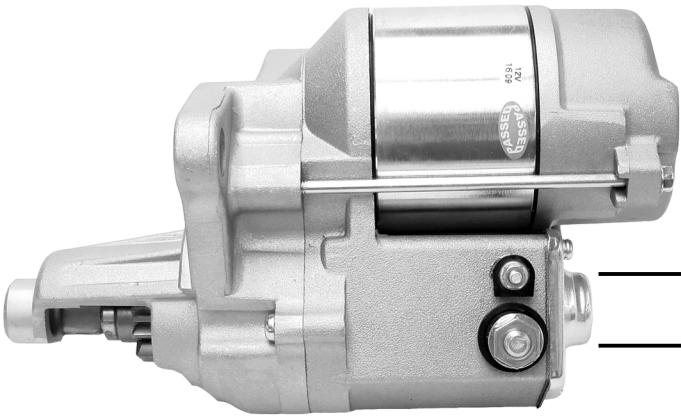

Powering your new starter

A Engines

Connect directly to the exposed terminal studs

B/RB or Hemi Engines

Remove the adapter to expose the terminal studs, and connect power directly.

Insert Performance
graph here
