

Warranty

If the purchaser decides to install himself, warranty starts the day the customer receives the invoice for the engine.

If the purchaser decides to have an established shop install the engine, the warranty starts on the day the vehicle has been delivered.

This engine will retain the Chevrolet Performance 2 year/50,000 mile warranty.

Warranty will not cover engines that have been overheated/ran on NO OIL/Installation error.

For any warranty claims on the engine

A warranty form from GM will be provided with your paperwork for your new engine. To make a claim, please fill out the form and call (866) 453-4123.

For any warranty claims on the serpentine kit, ignition coils, or starter motor, please call us at (562) 319-5900.
